Take the next step in protecting your confidential information with the Fellowes Powershred® 99Ms Micro-Cut paper shredder. The 99Ms is a professional shredder that is suitable for 3-5 users with medium/heavy duty shredding requirements.

At Security (DIN) level P-5, Fellowes 99Ms can shred each sheet of A4 70gsm paper into over 2,000 pieces (2x14mm particles) making highly confidential information virtually impossible to assemble and read - providing superior protection against identity theft.

## Paragraph Copy

The 99Ms comes with Silentshred™, which makes for quieter shredding performance; minimising noise disruption in shared workspaces and SafeSense, which automatically stops the shredder when hands come into contact with the paper entry.

Capable of shredding up to 12 sheets paper per pass, this high security machine can operate continuously for up to 15 minutes, making it ideal for high volume office shredding. It comes with a 34 litre pull-out bin for easy waste disposal.

the 99Ms can also shred staples and credit cards and comes with a 2 year machine warranty and 5 year warranty for the cutter.
